Kirby Morgan Dive Systems Inc.,<sup>®</sup> (KMDSI) has received a counterfeit KMB 28 that is solicited as a Genuine Kirby Morgan product.

KMDSI has inspected and conducted laboratory and man testing on the counterfeit KMB 28 with findings that are well below the KMDSI standard for safety.

**COUNTERFEIT**

**KIRBY MORGAN<sup>®</sup>**  
*Genuine Parts*

The counterfeit KMB 28 BandMask<sup>®</sup> **VISUALLY APPEARS** to be the same as a genuine KMB 28, but looks are deceiving.

**Man testing has proved** that the counterfeit KMB 28 has **SEVERE breathing limitations** once it is in the water. This causes KMDSI concern that use **could lead to serious injury or death.**
